

Sequoia Amateur Radio Club  
Meeting Minutes  
April 9th, 2022

April's club meeting was the annual Swap Meet/Potluck attended by only a few members and one guest, Paul Hape from Ridgecrest, who took the technicians test and passed.

There were no items at the swap meet but Al Price had recently put together most of club's minutes and photos in order from throughout the years, beginning with the formation of the club in 2006. Everyone was impressed with how it turned out. Thank you, Al.,

Of course, there was an enjoyable amount of good food and desserts, which everyone enjoyed.

Door Prize winners were: Dale Ripley: KG6TBQ- soldering mat, Christine Hesse: KK6AZQ- eyeglass repair kit and Chuck Caudell KI6GOG: air gauge,  
50/50 prize was won by Chuck Caudell: KI6GOG

Next club meeting:  
May 14th, 2022  
Elks Lodge, Wofford Heights 9:30am
